

*I am Katerina from Greece and I am going to say a few words on behalf of me and my team. Well, our Erasmus+ program "No early school leaving by sports, musical, theatrical and artistic activities" helped us to develop personally and professionally. Although we are teachers with many teaching years, Erasmus+ helped us to discover new ways of teaching, to come closer to our students, cooperate with them, have fun with them, know them, their families and their personal needs better! Students embraced the program with great enthusiasm.*

*We all gained valuable international experience, we broadened our horizons, we met new places, new customs and traditions, but above all these we met you my dear friends!!*

*We lived unforgettable moments in your countries! Thank you for everything! All good things come to an end! This program has come to an end and we are leaving Italy with the hope to meet again in the future...*

*Goodbye dear friends! We are going to miss you!*
