- take on the overall management
- coordinate the implementation and communication activity
- supervise the project implementation in the partner schools through written reports, checklists, face-to-face meetings and discussions.
- make the project's risk management and the other partners will identify the problems they have at local level.
- create a facebook group
- create a google account.
- create a website
- create a blog
- upload the project results on the dissemination platform and submit the final report to the National Agency

### **BULGARIA has to...**

- plan the procedure for the participants' selection.
- They are responsible for elaborating all the questionnaires (initial and final) -related to the topic, cultural awareness and language skills.
- provide the language tests for the placement and forward them to the partners to use it for the selection of students
- create the eTwinning account

## ROMANIA has to ...

- prepare the evaluation plan and elaborate evaluation instruments for all the stages of the project. They will collect the outcomes and will forward them to the coordinator. In this way, Turkey will be able to produce the impact report when the project ends.

## PORTUGAL has to...

- update the project's outcomes on the project's website
- is responsible for the dissemination of the entire project
- create the sustainability plan

## TURKEY has to...

- collect all the materials used in the exchanges, in order to create the final output, a booklet with the title "NO HATE in our lives - Breaking free from stereotyping and discrimination"

## Common tasks:

Partners from all countries should follow the cooperation plan that we agreed on. All partners will organize the LTT Activities

**GR** will supervise the evaluation and also establish the deadlines for the results' transmission; dissemination

**PT** is responsible for the dissemination, all partners have to send the dissemination materials to **PT** every three months.

**GR** will propose the methodology for the selection of the project teams, All contact persons will monitor the project's implementation at local level and report to the coordinator through written reports, in online meetings, as the coordinator requests.

Each partner is responsible for the preparation of the students before the exchanges, and for the dissemination of the events and activities at local level. They will contribute with ideas, materials and outcomes and also, organize exchanges and practical settlements for hosts. Furthermore, they will assist the coordinator in completing the reporting forms which are going to be submitted to the National Agency.

All partners will report on all LTT activities and upload material on Facebook group and on the blog.

All partners will create the sustainability plan and submit the report to the National Agency.
