

Anti Corruption Cup

28th of January 2019

The "Anti-Corruption Generation" educational project has traditionally combined the prevention and training on anti-corruption, violence and racism with practical work by running the "Generation Anti-Corruption" Cup in mixed football, second edition. Ten mixed teams, girls and boys, played football in the presence of many colleagues, supporters, teachers and parents.

On 28th of January, in the spirit of fair play, the students expressed their messages and thematic themes through leaflets, flyers.
